First Came Historical Day, September 13th

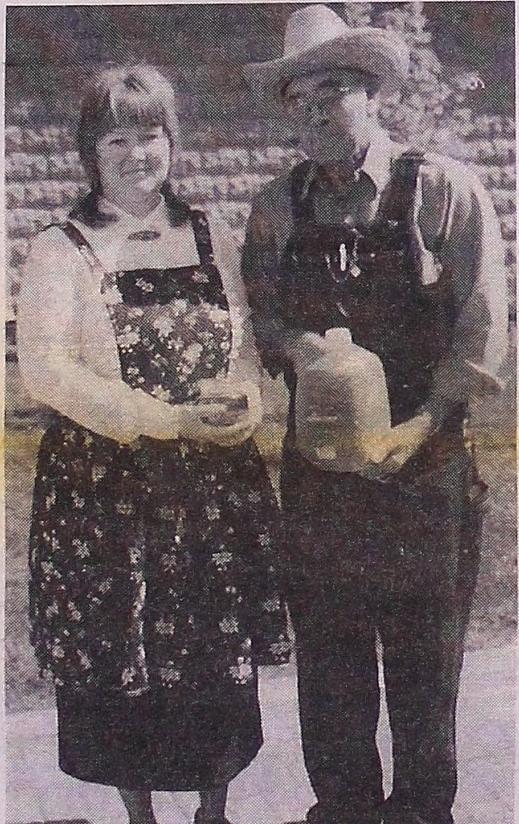

What a Weekend in Huron Township!

BY MARGARET O'KELLEY

On September 13th, 2003, the Township held its annual Historical Day. Many residents dressed up in the spirit of the day and a good time was had by all.

Funds were raised on various street corners and the generosity of the residents was much appreciated. The Open House held at the Samuel Adams Historical House from 1:00 p.m. to 4:00 p.m. was well attended and we were particularly impressed with the number of young people that attended.

Please watch the event on our public access channel 18 slated for the near future.

Picture above: Donna Baylor and Melinda Shearrer selling copies of the Historical Day Newspaper, *Ye Olde Village News*. Right: Apple Annie got a brand new outfit for Historical Day.

Then Came the Annual Huron Township Picnic

On September 14th, 2003, the Township held its annual picnic at Lajko Park. The weather was perfect and the residents came out in large numbers.

There were plenty of activities for the children. The sack race was a hit with the children and resulted in many close races. The highlight of the day was the "cooling off" that was provided by our fire department. A fire truck sprayed the kids, along with a few daring adults and it provided a refreshing pause in the festivities.

The Recreation Commission deserves a big thank you for all their efforts and we look forward to bigger and better summer ending picnics.

The following are the winners of games:

Bubble Gum Chewing Contest: Age 6-8, Briana Sczycki; Age 9-11, Dylan Lee; Age 12-15, Olicia Hustzi; Adult age - Tammie Holt.

Egg Toss Contest: Samantha Tockstein and Mandy Runkle.

Hula Hoop Contest: Bubba Holt, age 7 and Krystal Caasi, age 10.

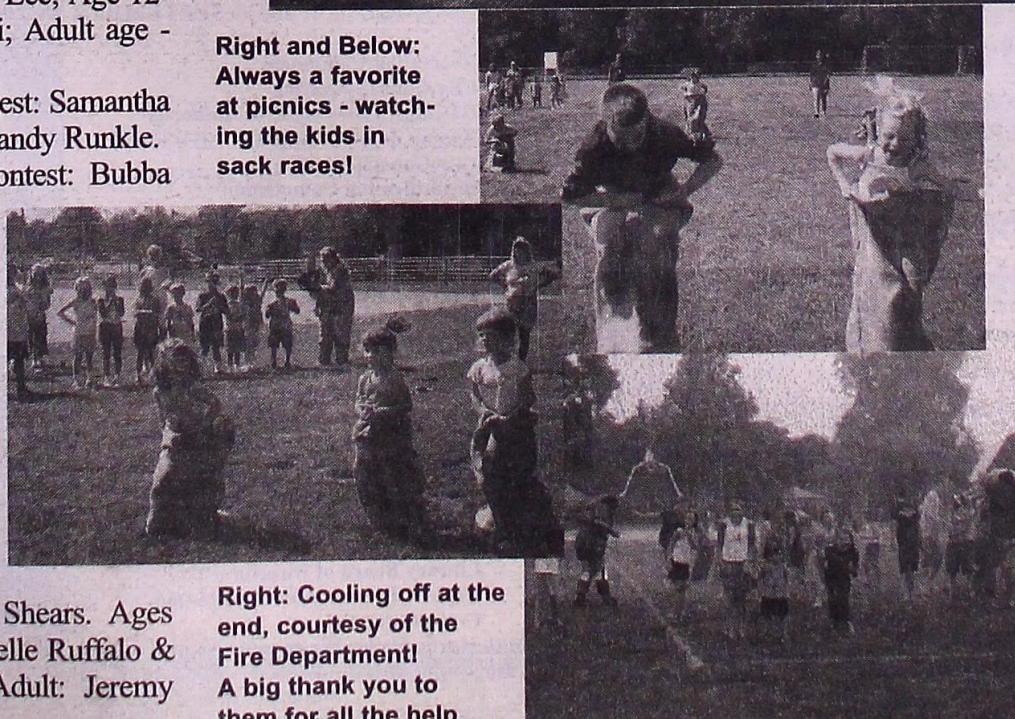

Sack Race: Up to Age 4: Reyna Mitchell. To age 7: Emily Miller, Michelle Runkle & Bubba Holt.

Age 8-9: Jenel Shears. Ages 10, 11, 12: Danielle Ruffalo & Iesha Dotson. Adult: Jeremy Paul

Huron Township Parks & Recreation Committee, L to R: Mike Anetzberger, Georgette Willoughby, Cathy Ruffalo, Colleen Lazeer, Sam Ruffalo, Terri Pinter, Richard Sobecki.

SEPTEMBER TRAINING INSIGHTS

Where did the summer go? Where did the year go? It seems like just yesterday people were worried about moving into the millenium, power failures, computer bugs, etc? Time flies, doesn't it?

Do you have a 10-year-old in your life? Maybe a son, daughter, daughter, or grandchild? Or a niece or nephew? Even a neighbor's child? It amazes me how much they learn in school today. These young people are learning much more than we learned in school and they are learning it at a younger age. Take a good look at those children — and then think about what you've learned lately?

Have you taken a class or seminar? Learned a new skill? Can you program a computer WITHOUT the help of your 7 year old? Have you learned public speaking or presentation skills? Perhaps you've learned something from your hobby or from the organizations or associations you belong to.

I'm talking about YOU being a "Life-long Learner." You are an intellectual resource to any company you work for. The only thing you control is the ability to increase the value of YOU. You are a product. You are offering that product, (your skills and knowledge) to your employer in return for wages and/or commission and bonuses. If you haven't taken a class, learned a new skill or gone to a seminar to improve yourself, then think about this.

In 10 years, those 10-year-old kids will be your competition for your job. Does that make you a little nervous?!

Want to know more? Visit www.transitionseminars.com or call

New College Scholarship Source Guide Available

The 11th annual National Academic Scholarship Source Guide is now available for students and their families. The guide is published specifically to help college-bound high school seniors and college and graduate students find scholarship money to help pay for tuition, room & board, text books, lab fees, and other educational expenses.

Made available through the resources at the National Academic Funding Advisory, the updated 2004-2005 guide provides insights into the financial aid process, tips on how to increase the chances of receiving scholarship money, "10 Essential Steps to Scholarship success," key resources and websites for additional funding information and ways to identify relevant scholarship sources.

The college financial aid process can be confusing, especially for those going

through it for the first time."

relates Ben Travers, Scholarship Director of the National Academic Funding Advisory. "Most parents and students are unfamiliar with all of the procedures, timetables and insider workings of the scholarship process and, unfortunately, every year students miss out on receiving scholarship money just because they are not aware of the resources that are available to them."

Financial aid experts advise students to begin the process of identifying financial aid resources as early as possible.

According to the U.S. Department of Education, students and their families who take the time to learn some basic rules of the financial aid process are more successful in securing scholarship and other financial aid.

To receive the new 2004-2005 NAFA College Financial Aid publication including a listing of important academic funding programs, send a self-addressed, stamped #10 envelope (SASE) along with \$2.00 to cover handling to NAFA, 188 Summer Street, Dept F03, Portsmouth, NH 03801.

Simpson Middle School Displays Huron Jr. High League Banner

This Fall, Simpson Middle School was given the honor of hanging the Huron Jr. High League Sportsmanship Award" banner. This banner symbolizes the emphasis that the Huron League and Michigan High School Athletic Association have placed on good sportsmanship for athletes, coaches, and parents. The key concepts that help define sportsmanship are those that also help define citizenship. These concepts in-

clude: integrity, respect, character, and acceptance. While sports build and refine the physical body they also, in the proper atmosphere, build and refine character. Sportsmanship begins at home and is a way of life.

The banner is hanging at Simpson Middle School. It serves as a reminder that sports are a positive and productive part of the educational program offered by a school.

The Early Learning Center Thanks Eagle Scout Prospect

It was a month ago that Eagle Scout contender, Byron Lewis, gathered some troop members and worked an entire weekend improving the outdoor play area for Mrs. B at The Early Learning Center housed at Sherry's Academy of Dance in Carleton. The asphalt areas was ripped clean of weeds, filled and sealed with tar. The back fence was cleared of an old tree, reinforced and freshly painted. And best of all, roads and games were painted on the surface of the pavement.

Byron had a crew of hard-working scouts, parents and leaders consisting of Shawn, Ryan, and Mr. John Knight, Chris Roy, Jonathan and Mrs. Debbie Gilbride, Ben and Mr. Al Bradford (leader), Eugene and Mr. and Mrs. Nemeth, Craig Griffis, Alan, Ben and Mr. Polak, Jim Cook, Anthony and Mrs.

Ginkgo Leaf Prediction Contest Begins

The 24th Annual Ginkgo Leaf Prediction Contest gets underway at the Dorsch Memorial Branch Library, 18 East First Street beginning September 14th and running through October 4th.

People are asked to predict when the leaves will fall from the historic Ginkgo tree located in front of the library. This unique tree, planted by Dr. Eduard Dorsch for whom the library is named drops its leaves entirely in a matter of hours. The day the leaves begin falling will be the winning day.

The Friends of Dorsch will provide the prize to the winning entry. Entry forms can be picked up at the library on Monday and Tuesday from 9 a.m. to 8 p.m. and on Wednesday through Saturday from 9 a.m. to 5 p.m.

NOTE FROM PRODUCTION:
Try to TYPE these words that are deliberately mixed up!

Linda Smith, Jacob Salaz and Mr. Dave Ruffner as well as Mrs. Roland. This group worked for an entire weekend from morning til night to complete the project before the start of school.

The children attending the preschool have completely enjoyed the "new" area! The parents also had much to say about improvements.

It is so kid friendly, now!

Mrs. B wants to extend her deepest gratitude to Byron and his family as well as all of the scouts that assisted in this project. "Please know that your efforts are greatly recognized and appreciated!" Byron should be proud of his work. He orchestrated the entire project and is deserving of his Eagle Scout status.

Mrs. B wants to give attention to Ms. Sherry Blaha and her cooperation with his. Not only giving allowance for the improvements, she donated all of the sealant for the proj-

ect. This has made for a much safer outdoor environment and also shows pride in the community! Thank you.

Hip, hip, hooray for the scouts!!!

Alcohol: Rubbing alcohol is great for grass stains and much more.

Ammonia: The perspiration stain fighter.

Automatic dishwasher detergent: Keep this on hand as a bleach substitute and whitener/brightener even if you don't have a dishwasher.

Baking soda: Removes odors.

Club Soda: Use it on any fabric or surface that can be treated with water. A slight dabbing on dry-clean-only fabrics is also okay, just be sure to test the area first.

Cream of Tartar: Mix cream of tartar with lemon juice and you have a wonderful bleach for white clothes spotted with food or other stains, it even works on many rust stains.

Denture-cleaning tablets: The cure for all white table cloths with food stains and white cotton with stains. Dissolve one tablet per 1/2 cup water. Pour directly on stain or spot.

For entertainment purposes only.

Your Cosmic Look For The Week Of September 25 - October 2

Libra Sept 24 - Oct 23

Longing for days of past love will not help with current adventures. News on local channels affects your ability to move forward. Be cautious entering strange buildings. 3987

Scorpio Oct 24 - Nov 22

Ask for help when needed. Pisces has the key "word" for laughter - prepare for move soon. Find time for self as nerves begin to rattle. Be leery of anyone asking for money. 438

Sagittarius Nov 23 - Dec 21

Gemini thinks of you often. Plan night out with friends if the cards look right. Old tasks become new again as you prepare to enter new phase of life. Be alert of news. 2209

Capricorn Dec 22 - Jan 20

Virgo remains hurt by your words. The truth is not what is known to you. Work takes over all spare time and finds you at odds with spouse. Be aware of changes from foreign lands. 445

Aquarius Jan 21 - Feb 19

Help family mend but be prepared for unwanted news. Spouse supports your needs but not as you hoped. Clear skies are only an illusion but not much different than what you already know. 330

Pisces Feb 20 - Mar 20

Smiles come easier as the heat of summer fades. Keep faith in all you hold dear. Guide Virgo thru rough times ahead. Warn others one more time of dangers ahead. Up to them to heed. 0023

Aries Mar 21 - April 19

Vacant land filling fast. Time to move? Check out all winter needs now. Street remedies don't cure all. Don't allow self to be one of the victims of life. Look east for approaching storm? 394

Taurus April 21 - May 20

Don't be caught looking west while friends look east. Time to come to front of line and take control of all loose ends. Recent storm has you lost for words. Greed will be your downfall 4302

Gemini May 22 - June 21

Pisces sees you as you are. No fooling the other double sign. Look for peace in daily plans by including children. Kindness conquers anger. Look down for truth. All is there to be found. 0019

Cancer June 22 - July 23

Lost fiends return to haunt you and nowhere to run? Keep piece of wood near to burn for heat. Head future warnings now. Look in mirror for answer of life and smile. 9389

For entertainment only.

Horoscopes

William Grover

Leo July 24 - Aug 23

Pie in mouth or pie in eye. Whose face would you like to toss one in? Work excites you but you find age makes body ache for rest. Sooner than you wish news of little ones sends you shopping. 0092

Virgo Aug 24 - Sept 23

Stay in safe zone and near those who truly know your needs. Be prepared to help others who are not up to the job. Music rings in your ears and mind. Long-awaited ride comes for you. 904
